PHOENIX SERENADE SCANS IS RECRUITING!

STOP

Are you reading this chapter on
shingetsu,
mangaka,
mangawriter etc.?

These sites are super killed and they're very
convenient. Some people even think that
mangaka/mangaka blog/ shingetsu

that's all right

These websites (SFA, translated manga shingetsu, [http://www.shingetsu.com](#)) are without giving us any credit. They
accumulate manga from hundreds of websites online.
They make thousands of dollars not from their hard
work but from a subscription group is hard work like us.

But guess what? They don't respect a subscription
group is related and don't profit. That's why they do it.
